## TREASURES FROM OUR TRADITION

Why is it still Easter? The lilies have long since faded. The roots of our tradition of fifty days of rejoicing from Easter to Pentecost lie in the seven-day rhythm of the Jewish week, drawn from the six days of creation plus a Sabbath day. A favorite name for the Lords Day among our ancestors in the faith was The Eighth Day, meaning that in Christ a breakthrough to a new humanity was achieved.

With that inner architecture, it makes sense to see Pentecost as a week of weeks, forty-nine days plus one, again signaling that a new age has begun in Christ and the outpouring of his Spirit. The Jewish appreciation for Pentecost gave rise to the Jubilee year, the fiftieth year, when debts were released and prisoners set free. Today, the character of our Easter Sundays is conveyed by joyful Alleluias and the rite of sprinkling at Mass. Long ago, people expressed this joy by suspending all rules of fasting and by never kneeling at liturgy. These customs all point to our conviction that time is holy. There is an elegant balance to the Christian year: forty days of Lenten fast and discipline give way to fifty days of unrestrained rejoicing. That's why it is still Easter!

May 30th is the Feast of the Ascension, a holyday of obligation. Masses are 7:30AM 12:10PM 6:30PM

## Emergency Calls for a Priest

Too often we get called for the Sacrament of the Sick when someone has become unconscious and is very close to death. Far better to call the priest earlier: The sick person can be part of the sacramental moment, and Father has time to

get there. **IMPORTANT NOTE** : sometimes Father is not available for immediate response, so please, if there is someone at home is elderly and failing, or battling cancer, call us earlier rather than later so we can give appropriate pastoral service to your loved one.
