## TREASURES FROM OUR TRADITION

When Pope Pius XII died in 1958, there was the usual buzz of speculation about likely successors. Cardinal Agagianian, Patriarch of the Armenians, was highly thought of as a likely choice. This took many Catholics by surprise, since he had never celebrated the same liturgy as Pope Pius, but followed ancient Armenian customs according to the Eastern Church, which veils the Eucharistic liturgy from sight by a series of curtains, and in which the priest kneels while the people stand for Communion.

In the years that followed, the Second Vatican Council would affirm the dignity and independence of the Eastern Churches, in complete union with Rome, yet different in patterns of life and worship. We have the same faith, the same sacraments, and the same pope. Yet everywhere in the world our separate Churches are combined into families held together by the ministry of bishops. All of this serves as warning: If you ever say, "But we've always done it this way," you are on very thin ice indeed!

This Thursday, August 15 is the Feast of the Assumption. It is a Holyday of Obligation.

Masses are at:

7:30AM

12:10Pm

6:30Pm

### Following Mary's Pregnancy

We haven't checked in with Mary in a few weeks. Jesus is now almost 19 weeks old. His heart has beat almost 24 million times! He is only protected from abortion in states with a heartbeat law.

The air passages for His lungs are all in place. For the past 3 weeks, if poked with a needle a baby will release stress hormones. In many states, this is when a dismemberment abortion would be used.

The four lobes of the cerebral cortex have been developed for several weeks. The only thing protecting these babies is us. Pray, pray again and be aware of what your representatives are voting

Vocation Reflections—August 11th

The faithfulness of the disciples demonstrated that they continued to follow Jesus' pattern of loving service, no matter what trials and challenges they faced. If you are called to follow Jesus as a priest, brother or sister, .. **Call Fr. Michael Casey, Director of Vocations**, Pastoral Center, Tel. (860) 761-7456, email: vocations@aohct.org or visit the web at [www.hartfordpriest.com](http://www.hartfordpriest.com)

*Why do the Irish put their feet in the water on the Feast of the Assumption?*

A few weeks ago, a parishioner asked why do the Irish put their feet into the water on the Feast of the Assumption? Father Dillon nor I could give him an answer and frankly I never heard of the custom. I assured him that I would try find the answer as I was travelling to my family's home in Our Lady's Island in Wexford Ireland the following week. Every year for centuries there has been a pilgrimage around the Island focusing on healing between August 15—September 8th, the two big feasts of Our Lady. It is the second largest pilgrimage in Ireland after Our Lady of Knock. I was certain to find the answer to the query posed there. Well, no one could give me a definitive answer but Sister Eileen put it in perspective. She believed the practice may be regional and carried over to the United States by the Irish and Italians. Water is associated with healing powers (Water at the Baptismal font, blessing ourselves with holy water and Our Lady of Lourdes to name a few.)

Doing a little research I found that the Feast of the Assumption is huge on the Jersey Shore and is called "Salt Water Day" Parishioners have a procession to the ocean where it is blessed by the local priest. According to legend, as the Blessed Mother rose to heaven on this day, she wept and her tears fell into the ocean. The belief is that every year on August 15th, Mary's tears reactivate, bringing good health to those who bathe in the sea. This has since become a tradition in coastal cities throughout the United States and Europe. Over time, the faithful attributed healing powers to the waters blessed on this feast.

May you all be blessed on this beautiful feast day celebrating the Blessed Mother, whether or not your feet go into the water!... Patty Boyne

**Dear Parents and youth of Our Lady of Victory,**

**Hope you had a wonderful summer! Our Lady of Victory has always taken pride in its vibrant music ministry. If you have an interest in singing or think you may, come and try singing with the youth choir. Below are a few examples of the benefits of music in a youngster's life: "Studies have shown that music education provides a number of benefits, including socialization and cultural fluency. But on top of that, music education can actually help students with their academic performance.**

**Here are a few ways that music education fosters better students:**

- **Better pattern recognition. This helps with a number of other academic areas, from grammar to biology.**
- **Higher scores on standardized tests.**
- **Better time management and organization.**
- **Tend to be more multicultural in their views. They can also appreciate a wider range of musical and artistic styles.**

*"Often have a greater appreciation for the arts. Students that are involved in music often see that passion extend into other areas, such as an interest in performance art or visual art.*

*There are opportunities for individuals to shine, as well. Solo performances, both in a concert setting and a competitive setting, really allow musicians to shine on their own.*

*All around, music education improves the lives of students. Encourage your child to participate in music education, and she'll learn valuable lessons and skills that can last a lifetime."*

**Suzy St. George**

The youth choir is seeking new members. We meet on Tuesday afternoons at 5:00 P.M. in the church and rehearse for 60 minutes. We will begin our rehearsals this year on Tuesday September 10th 2019. I encourage any child/teen who likes to sing and curious about the choir to come and try one rehearsal on this day. There will be no obligation to return if the child/teen does not wish to continue.

We sing every second Sunday of the month at the 11:00 A.M. Mass, Lessons and carols with the adults in December and Christmas Eve at 4 P.M. We have a lot of fun and treats are given out after each rehearsal. Come and raise your voice! If you have any questions contact me, Ed Perez, the music director at 203 934 6357

If you or someone you know, is interested on **BECOMING CATHOLIC** or completing the Sacraments of Initiation by **RECEIVING COMMUNION** and/or **BEING CONFIRMED**, please call the rectory at (203) 934-6357. Classes will start in September.

### Emergency Calls for a Priest

**Too often we get called for the Sacrament of the Sick when someone has become unconscious and is very close to death. . Far better to call the priest earlier: The sick person can be part of the sacramental moment, and Father has time to get there. IMPORTANT NOTE : sometimes Father is not available for immediate response, so please, if there is someone at home is elderly and failing, or battling cancer, call us earlier rather than later so we can give appropriate pastoral service to your loved one.**

## DINNER WITH A DEACON

A deacon is an ordained minister of the Catholic Church; they are ordained as a sacramental sign to the Church and to the world of Christ, who came "to serve and not to be served." The entire Church is called by Christ to serve, and the deacon, in virtue of his sacramental ordination and through his various ministries, is to be a servant in a servant-Church. In 2019, Enders Island will host a dinner series which gives participants a chance to meet, socialize, and receive the Gospel from different Deacons in the local community.
