ST. JOHN XXIII PARISH.

# Mary and The Holy Family

By Deacon Frank Bevvino

We celebrate holidays with open arms and smiling faces as we welcome family members and friends. We relish being able to relax and socialize. Our families and friends are the core of our relationships. They allow us to be who we are, to share common interests, and to find comfort and understanding in the difficulties and challenges we are experiencing. They are the foundation of who we are and what we have become. Families and friends share, challenge, and embrace each of our unique personalities. They create an oasis of comfort and repose from the weariness of everyday work and its complexities.

Our scripture readings, during Advent and Christmas, focus on proclaiming the coming of the Messiah. The season celebrates birth and the joy and happiness which the gift of a child brings. Birth is a humbling experience for parents; they are trusted by God with the care and upbringing of a child. It is one of the greatest of all gifts given by God: the ability to be co-creators with Him.

We hear about Mary and Joseph as they each hear the news from God. With great humility they prepare for the impending birth. Together, they create a tree of love which binds them together. They share that love with family members and friends. Many of these family members and friends will celebrate for generations the love and joy that brings people together.

Our gospel for this Sunday speaks of Jesus, Mary, and Joseph, a family of believers. They are brought together in faith to celebrate God's many gifts. The scene takes place just after The Holy Family celebrates the Feast of Passover in the Temple. This is the same gospel we heard at dawn on Christmas Day with the addition of the verse naming their child "Jesus" as directed by the angel. Mary, as many mothers do, kept to herself all that she hears as told to her and

Joseph by the shepherds. Keeping true to their faith, Jesus is circumcised and this Holy Family are now part of a people of faith in God.

We are part of that community in the Christian tradition. During the celebration of the Sacrament of Baptism, I remind the people gathered that this child was welcomed into their related family when they were born. In Baptism they are welcomed into the Christian family worldwide; a people who worship together and journey in faith with each other.

On the Feast of the Holy Family (Jan. 6), let us not forget our worshipping community of St. John the XXIII and all our brothers and sisters worldwide. With joy and happiness, many of us have memories of times past and present when together in prayer we celebrate the life-giving birth of Peace and Love. People of all faiths and cultures are God's children. As a worldwide family, we celebrate the opportunity of being a family in Christ.

HAPPY NEW YEAR!

OUR FASCINATING FAITH

## Resolve to Spread God's Mercy and Peace

Imagine: two New Year's celebrations in little over a month! In late November, Advent began the new liturgical year, and today the secular New Year 2023 begins.

In today's Gospel, everyone who heard it was amazed by the story the shepherds told of the angels' message regarding the child. Mary herself continued to reflect on all these things in her heart. With religious persecutions raging, international and domestic conflicts seething, our family and friends suffering various difficulties, and COVID not yet entirely in the rear-view mirror, not to mention our own personal problems, how much our world needs Jesus as another New Year veiled in mystery begins!

As we pray for God's mercy to enfold our world and embrace each of us in 2023, let our New Year's resolution be to live for others, as Mary did, a channel of God's mercy and an instrument of Christ's peace.
